YOU'RE INVITED — OPEN HOUSE

Friday, April 17th | 9:00 AM – 2:00 PM

6140 E Peak View Rd, Cave Creek, AZ 85331

Stop by any time — no RSVP required. We'd love to show you around!

The Space Today

This 2.5-acre gated property in Cave Creek comes with extraordinary bones — soaring vaulted wood-beam ceilings, warm hardwood floors, generous open-plan rooms, and windows that flood the space with natural desert light. The images below show the property **as it stands today**, prior to renovation. Our Summer 2026 buildout will transform this space into a full Montessori-Reggio K-12 campus.

■ THE SPACE TODAY — 6140 E Peak View Rd, Cave Creek, AZ

Interior: vaulted wood-beam ceilings and open hardwood floors — current state, before renovation

Open classroom wing with built-in shelving — spacious, light-filled rooms ready for transformation

Our Educational Approach

Umbrella Academy draws from the **best modalities in progressive education**. Deeply rooted in **Montessori** and **Emilio Reggio** principles, we layer in intentional modern technology and the strongest practices from multiple pedagogical traditions. Now in our **third year of proven success**, we are ready to grow this model into a full K-12 campus.

Montessori Foundation

Child-led exploration, hands-on materials, and uninterrupted work cycles. Every student moves at the speed of their own readiness, guided by careful observation.

Nature-Based Curriculum

Garden beds, desert ecology, composting, and stewardship woven into daily learning across our 2.5-acre campus — not enrichment extras, but core daily essentials.

Emilio Reggio Philosophy

The environment as the third teacher. We document children's thinking and build curriculum collaboratively around what genuinely captivates each community of learners.

Heart-Centered Culture

Social-emotional learning, mindfulness, and genuine community are not add-ons — they are the living foundation of everything we do, practiced authentically every day.

Modern Tech Integration

Purposeful digital tools, maker-space thinking, coding, and media literacy woven naturally into project-based work — preparing students for a rapidly evolving world.

Multi-Age K-12 Community

Older students mentor younger ones. Multi-age groupings build genuine empathy, leadership, and communication skills no age-segregated classroom can replicate.

Campus Design Vision

The images below are **design inspiration only** — not photos of this property. They represent the aesthetic and learning environment we are working toward through our Summer 2026 renovation: warm wood tones, organic textures, cozy reading nooks, open Reggio-inspired classrooms, and nature-connected outdoor spaces. The renovation will be thoughtfully tailored to the beautiful bones of our Cave Creek campus.

◆ DESIGN VISION — Inspiration for What We're Building Toward ◆

Inspiration — warm, organic interiors: arched wood beams, rich textures, natural light (not this property)

Inspiration — hands-on learning culture and vibrant, joyful classroom environments (not this property)

YOU'RE INVITED — OPEN HOUSE

Friday, April 17th | 9:00 AM – 2:00 PM

6140 E Peak View Rd, Cave Creek, AZ 85331

Come by any time between 9AM and 2PM — no RSVP required. Walk the grounds, tour the building, and hear about our vision for this extraordinary new campus.

What to Expect & Who Should Come

At the Open House

- › Full property and building walkthrough
- › Tour all classroom and flexible learning spaces
- › See outdoor areas, garden beds, and the acreage
- › Learn about our Montessori-Reggio campus design vision
- › Ask questions about Fall 2026 enrollment
- › Meet current and prospective Umbrella families
- › Hear about our active funding journey and next steps

Re-Enrollment & New Families

We are now accepting interest for **Fall 2026**. Space is intentionally limited to **30 students** — preserving the intimate, high-touch environment that makes our model exceptional.

Current families have first-priority re-enrollment. We encourage you to confirm your spot early — re-enrollment materials will be available at the open house.

New families are warmly welcome. If you know someone whose child would thrive in a heart-centered, nature-rich learning community, please share this overview.

A Note on Our Campus Journey — We have active philanthropic funding requests pending to support campus renovation, safety infrastructure, modern technology integration, and the hiring of additional gifted staff. Every contribution brings us closer to opening the doors of this extraordinary campus to more children and families. We are deeply grateful for this community's belief in what we are building together.
